GOLFER'S WINES

The following three wines all come from the small estate owned by the much loved and admired golfing great that is Ernie Els. Founded in 1999 in the beautiful wine country of Stellenbosch in his native South Africa, while Ernie was in his pomp, he immediately employed the multi award winning winemaker Louis Strydom to look after his winery. This is very much a labour of love for both men, with very low production and the utmost quality being the watchwords here; so much so that they have achieved a rare 5 star rating by the South African wine guru John Platter in his guide. Please do try these excellent wines.

The 2017 vintage Major Series Merlot has all the hallmarks of a classic Merlot, with ripe plums and earthy notes, supported by a core of minerality. The wine is fleshed out with ripe strawberry, forest underfloor and a hint of dark chocolate. This is a really lovely wine with a ripe juicy concentrated heart and a long finish.
- 152 The Major Series Cabernet Sauvignon 2017, Ernie Els, Stellenbosch, South Africa** **64**
Pure-fruited Cassis on the nose open to a fine balance of dark chocolate, wet earth, delicate spice and dried herbs. The palate has a dark inky intensity punched by a core of mineral finesse and all wrapped by a broad-shouldered finish. The tannins are burly and taught, but will easily integrate with time as this decadent Cabernet Sauvignon will age well for a decade. Serious yet sumptuous.
- 153 The Proprietor's Blend 2015, Stellenbosch, South Africa** **81**
Cabernet Sauvignon comes across with striking purity. It is once again richly concentrated and yet remarkably elegant and refined. Purple hued and powerfully built, its components are seamlessly knitted into a Cassis-fruited, superbly layered palate. Hints of black cherries, dark chocolate, graphite and apricots are all balanced by its subtle oak support.
- 154 Signature Bordeaux Blend 2013, Stellenbosch, South Africa** **106**
Ernie Els Signature is similar to the empathic and precise 2009 although packs even more power and performance. Cabernet Sauvignon based, all five Bordeaux varieties contribute to its superior complexity, class and character. Ripe mulberry, strawberries laced with balsamic, graphite and a hint of chocolate all follow through to the luxuriously textured palate.

Fine Wines By The Glass with the Coravin™ System

Wine is extracted through the cork using a needle. It is replaced with Argon gas, ensuring oxygen never touches the remaining wine, keeping it as fresh as the day it was bottled. This has allowed us to offer some of our finest wines from the Cellar, 'by the glass'
