

Whisky Flights Experience

Whisky has been at the core of Scottish culture for many decades – weaving communities together and a liquid which has united locals and visitors for many decades.

This golden spirit is aptly named 'Uisge Beatha' in Gaelic, which translates to 'water of life'. Surrounded by rugged mountains, the flow of the River Ness and cosseted in our warm Highland welcome, this spirit will never taste better.

We have curated four whisky tasting experiences – each of which celebrate different elements of the dram we love. Enjoyed in the comfort of deep leather armchairs at the Torrish Bar with the backdrop of our whisky collection, each experience is self-guided and guests will enjoy a 25ml tasting of each expression.

Enjoy our whisky, our culture, our history. Sláinte!
