

NESS WALK

Redefining Luxury

A special place where
special things happen

Warmest congratulations on your forthcoming wedding

Thank you for considering Ness Walk to celebrate your marriage. It would be our privilege to care for you and your guests on this most important day.

The stunning 5-star Ness Walk sits on the riverside in the beautiful Highland city of Inverness. The listed building has been recreated and enhanced with the addition of the Riverbank Room – the most perfect wedding setting. The Riverbank Room has a south facing glass wall, leading out to the manicured courtyard, onto the lawn and down to the side of the mighty Ness. Flooded with natural light, this is the perfect place to illuminate your love!

Alternatively, when the evenings are short of light, let our elegant overhanging statement lighting provide an atmosphere of both intimacy and warmth. Complete with bespoke carpeting, this idyllic setting is filled with a unique charm and personality for your special day.

From the moment our gates open and you sweep up the drive, you know this is a special place where special things happen.

Your bespoke wedding at Ness Walk

We will arrange an individual consultation to discuss your wedding celebrations. We can create a wonderfully bespoke event with individually curated menus. Our Sommelier will then set to work to match your menu with selected wines. We would be delighted to discuss this with you.

Alternatively, to ease your preparations, we have gathered a beautiful wedding package that consists of the most important aspects for a memorable day. We invite you to look at our wedding package included at the back of this brochure and let your imagination flow.

Rest assured our goal is to provide a relaxed and friendly service for you whilst you prepare for your wedding. You have so many details to consider, let us use our experience and knowledge to support you during your planning.

A menu to match the occasion

The Ness Walk brigade is lead by our Executive Chef Craig Douglas. Craig's menus are designed with the seasons, and the very best of local seasonal produce, central to your dining experience.

Our vegetable supply is grown locally on our organic farm plot. We also work with a local forager and our Chefs can be seen in the Ness Walk courtyard daily selecting herbs from our herb garden. Truly local!

Ness Walk will deliver a culinary experience that defies expectations and leaves your guests astounded. Please enjoy looking at our seasonal sample menus contained at the back of this brochure.

We look forward to
celebrating with you

We are completely flexible
and enjoy nothing more than
working with the bridal party
to turn your dreams into reality.

If you have any questions
whatsoever, please feel free
to call us and chat through
how we can make something
truly special happen!
