Impressive detailing reaches new heights in our two suites. Both bright and flooded with light, we introduce to you the Rowan and Wellingtonia Suites.

At 90 sqm, the Wellingtonia Suite is undoubtedly the “best room in the Highlands.” Lavish furnishings and décor create a contemporary but elegant space, complete with a serene lounge and private dining. Filled with natural charm, it is an idyllic setting for both entertaining and relaxing. Named after our beautiful 200-year-old Wellingtonia tree, this suite is as impressive as its namesake.

The Rowan Suite is a two room, 54sqm sanctuary with windows looking over the tree line canopy. Your spacious lounge and dining area provides a “home from home”. And with little touches such as a Ness Walk cashmere throw, the little luxuries complete a memorable stay.

Torrish

A firm fixture on the Highlands' gastronomic map, our restaurant Torrish delivers an exceptional dining experience.

Located in the original 19th-century drawing room, there's a strong sense of occasion with unspoiled views over the River Ness. The menu in Torrish is a winning mix of curiosity, discovery and adventure! At its core is the finest local produce to be found in the Highlands; we ensure your experience is rich in flavour, texture and innovation.

Our Executive Chef works with his own local forager and organic vegetable farm to grow his supply of vegetables and salads. He can also be seen regularly in our herb garden, clipping the freshest herbs used to enhance the dishes – it's that local and fresh! The delectable menu is complimented by an impressive wine list of 154 bins...
...and growing.

Bar

Adorned with brass finishes, large mirrors, and luxurious velvets and leathers, the bar at Ness Walk delivers a sanctuary of cool sophistication.

Discover a cosy corner, allow the conversation to continue and sink into a beverage list offering more than just a little bit of theatre!

Allow our experienced mixologists to take you on a journey that provides a unique take on classic cocktails and drinks. Offering an extensive collection of Scotland's most famous export, our collection of whiskies are selected from iconic distilleries from the corners of Scotland.

A great place to relax, unwind and sample some real Highland hospitality.

Private dining

Ness Walk has an enviable reputation for fine dining and an exquisite location to match.

Our Riverbank Room is simply breath-taking; the glass south facing wall, leading out into the courtyard and down to the riverside beyond allows natural light to illuminate your celebrations. Alternatively, when the evenings are short of light, let our elegant overhanging statement lighting provide an atmosphere of both intimacy and warmth. An idyllic setting to host private celebrations for up to 80 guests and, should the weather be kind, the courtyard is a lovely tranquil spot for pre or post dinner drinks.

And as with everything at Ness Walk, we have an experienced team who aim to delight. They will assist with the finest details in planning leaving you to anticipate and enjoy the celebrations.

A destination

The Highlands of Scotland are recognised as one of the most beautiful places in the world to visit.

Breathtaking scenery, clan history and culture, plentiful castles, majestic lochs, world class golf courses, the iconic North Coast 500 route, whisky distilleries and many activities around the scenic hills and glens, makes the Highlands the perfect destination.

With several direct flights into Inverness airport or an unspoiled 3-hour drive from Edinburgh or Glasgow, it is easier than ever to immerse yourself in the playground that is the Scottish Highlands.
